Judge Tucker asked Quorum Court to pay the road and sanitation worker's overtime while working during the ice storm. Justice Bledsoe made a motion to pay them overtime. Justice Hannah seconded the motion. The motion was carried by voice 10-0.

The Road and Sanitation Department employees follow the same regular pay schedule and holiday/closure policy as Courthouse employees. The County Judge declared the Courthouse closed on January 26, 2026, through January 29, 2026. Additionally, January 30, 2026, was designated as a six (6) hour workday.

During this closure period, Road and Sanitation employees were required to continue working to maintain essential county services. The Quorum Court voted and approved payment of overtime compensation for these employees.

Road and Sanitation employees received their regular straight-time pay for the hours and days the Courthouse was officially closed, consistent with Courthouse employee compensation. In addition, they were paid overtime compensation for

every hour actually worked on January 26–29, 2026, and for all hours worked beyond the six (6) hour workday on January 30, 2026. They were also paid overtime for any additional hours worked over their standard work schedule during that pay period.

Judge Tucker introduced Cassidy West as the new assistant in the Judge's office taking Sandra's place.

Other Business:

Judge Tucker spoke again about the Caddo River bridge, noting that there will be a walkway for the community and stating that the projected date is 2027.

He reminded everyone about the Gurdon Chamber of Commerce having dinner at 6:30 tomorrow night.

Judge Tucker let the court know that we had several bids for new windows of the courthouse. The grant was only \$200,000 while the bids were well over that amount.

The courthouse clock is still in Florida where it was repaired due to the delicacy of transportation and the dangerous icy road conditions. We do expect to get it back soon.

Judge Tucker let the court know that we are expecting FEMA money around the amount of \$750,000 from the flood of April 2025.

Judge Tucker commended the road and sanitation crew for the hard work during ice. He said that some phone calls were related to trash pickup, and he explained the process of the pickup.

Justice Ankton asked if the contract for the ambulance was signed. Judge Tucker stated that they had a meeting that morning and we're making progress.

With there being no further business, Justice Johns made a motion to adjourn. Justice Thomas seconded the motion. Motion carried by voice 10-0.

Meeting adjourned at 7:15.
