The Budget Committee met on May 19, 2026, to review financial adjustments. Following a thorough review, the Committee voted to recommend the approval of Appropriation Ordinance 2026-05 at the upcoming Quorum Court meeting on June 8, 2026.

**Summary of Appropriation Ordinance 2026-05**

This ordinance includes several "cleanup" measures and necessary reimbursements across various county departments to ensure fiscal accuracy:

- **Administrative Adjustments:** Finalizing transfers and "cleanups" for the Circuit Clerk, Treasurer, and Prosecuting Attorney (including a duplicate claim reimbursement).
- **Grant & Insurance Reimbursements:** Crediting funds back to the Sheriff (from Grant County) and Emergency 911 (\$8,819.00 for insurance-covered hail damage).
- **Critical Positions & Equipment:** Securing \$24,280.00 for the grant-funded Peer Recovery position and funding essential equipment for the Road Fund (asphalt sales), Boating Safety (navigation equipment), and a computer purchase for the Circuit Judge.
- **Claims Coverage:** Appropriating existing treasury balances for the Self-Insurance fund.

**Landfill Infrastructure Briefing**

Judge Tucker provided a critical briefing regarding the county landfill. Two primary issues require the Court's future attention:

1. **Water Quality Remediation:** Runoff pond solids are creating issues with mandatory testing in Little Rock, necessitating costly remediation.
2. **Capacity Planning:** The current dumping cell has an estimated life span of approximately **1.5 years**. While new cells are licensed, they must be prepared for use immediately.

The Judge noted that the \$500,000.00 emergency bond may be required to address these upcoming capital needs.

We respectfully request that these items be placed on the June 8th agenda for full consideration.

Johns made a motion to adjourn and Bledsoe seconded the motion. Meeting adjourned at 11:32.
