

SMITH COUNTY, TEXAS

FY25

PROPOSED BUDGET

REVISED FOR ADOPTION

This budget will raise more total property taxes than last year's budget by \$10,576,364 or 12.09% and of that amount \$2,782,499 is tax revenue to be raised from new property added to the tax roll this year. (LGC 111.003(b))

DATE: August 15, 2024

TO: Elected and Appointed Officials, Department Heads, Employees and Constituents

RE: FY 2025 Smith County Proposed Budget

I respectfully submit the Fiscal Year 2025 (FY2025) Smith County Proposed Budget for your review and consideration. As you will see, this budget does increase the actual tax rate by 1.6967 cents to a total of 36.4231 cents per \$100 valuation. This increase comes from the voter approved sale of general obligation bonds for a new courthouse and parking facility. The Maintenance & Operations (M&O) portion of the tax rate remains the same as in the previous two years. Our goal is to provide excellent service to the citizens while maintaining a low tax rate.

Elected officials and department leaders worked through their budgets diligently to assist the Commissioners Court in their priorities set forth for FY25. Those priorities are to attract and retain the quality workforce we have now, to keep the judicial process and jail population flowing effectively and efficiently and to minimize the impact of the debt service rate to the overall tax rate. While we would like to give each elected official and department head the financial resources to meet every budget request they have submitted, we are mindful of the taxpayer dollars and strive to be good stewards of the resources we have available.

Budget highlights:

- **Employee Investment** – The County will increase its monthly contribution to the health insurance fund from \$722 per employee per month to \$822 per employee per month. A 2.5% Cost of Living Adjustment (COLA) for all employees and elected officials is also included in this budget. These increases reflect the County's continued commitment to its employees.
- **Indigent Defense** – An increase in the Indigent Defense Contract Attorney Rates from \$95,000 to \$120,000 is included for all five District Courts. The increase is intended to retain the current contract attorneys while attracting new attorneys to the Smith County court system.
- **Jail Operations** - Detention officer vacancies in jail have been an issue for several years. Overtime was increased in FY 2024 to aid in the retention of the detention officers and has

reduced the number of vacancies significantly. Ten additional officers are added to this budget with a reduction in overtime to cover the cost of the additional positions with no significant increase to the overall budget.

- **Debt Service** – The debt service portion of the tax rate has been strategically applied over the past 3 years to smooth the voter approved impact. The FY25 debt service portion has increased by 1.6 cents to a 7-cent level. The county has two more issuances of voter approved infrastructure bonds to issue.
- **Road & Bridge Funding** - Phase 2 of the Road and Bridge Plan continued into FY 2024. Our goal remains to reach the goal of 5.0 cent contribution of the M&O portion of the tax rate by the completion of the Road Bond Plan. The construction and renovation of the new Road & Bridge Facility is nearly complete, and all paid for in cash.

The County's overall financial position remains strong, despite the challenges of inflation. The County's Bond Rating remains strong at AA+ from the Standard & Poor's rating service.

I am thankful to all our elected officials, department heads, the County Auditor and staff and County Judge and staff for each of your contributions to this proposed budget. I am pleased to present this balanced Proposed Budget for FY2025 and as Budget Officer will be formally filing this budget with the County Clerk and County Auditor.

Sincerely,

Kari Perkins

Kari Perkins
Smith County Budget Officer
