## LEGISLATIVE JOINT AUDITING COMMITTEE DIVISION OF LEGISLATIVE AUDIT

### INDEPENDENT AUDITOR'S REPORT

Clark County, Arkansas Officials and Quorum Court Members  
Legislative Joint Auditing Committee

#### ***Report on the Financial Statements***

We have audited the accompanying regulatory basis financial statements of the general fund, road fund, and other funds in the aggregate of Clark County, Arkansas, as of and for the year ended December 31, 2013, as listed in the table of contents, and the related notes to the financial statements.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Arkansas Code, as described in Note 1, to meet the requirements permitted by the State of Arkansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles**

As described in Note 1 of the financial statements, the financial statements are prepared by the County on the basis of the financial reporting provisions of Arkansas Code, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements permitted by the State of Arkansas.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Clark County, Arkansas, as of December 31, 2013, or the revenues, expenditures, and changes in net position and where applicable, cash flows, thereof for the year then ended.

### ***Basis for Qualified Opinions on Regulatory Basis of Accounting***

The County's financial statements do not disclose all the required information concerning deposit risks. In our opinion, disclosure of this information is required by the regulatory basis of accounting described in Note 1.

### ***Qualified Opinions on Regulatory Basis of Accounting***

In our opinion, except for the omission of the information described in the "Basis for Qualified Opinions on Regulatory Basis of Accounting" paragraph, the financial statements referred to above present fairly, in all material respects, the regulatory basis financial position of the general fund, road fund, and other funds in the aggregate of Clark County, Arkansas, as of December 31, 2013, and the regulatory basis revenues, expenditures, and changes in net position, and the budgetary comparisons for the general fund and road fund for the year then ended in accordance with the financial reporting provisions of the Arkansas Code described in Note 1.

### ***Supplementary and Other Information***

Our audit was conducted for the purpose of forming opinions on the accompanying regulatory basis financial statements. The accompanying supplementary information and other information listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the regulatory basis financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the omission of the information described above, the information is fairly stated, in all material respects, in relation to the regulatory basis financial statements as a whole on the basis of accounting described in Note 1.

The other information has not been subjected to the auditing procedures applied in the audit of the regulatory basis financial statements, and accordingly, we do not express an opinion or provide any assurance on such information.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 2, 2014 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of the state constitution, laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

## LEGISLATIVE JOINT AUDITING COMMITTEE DIVISION OF LEGISLATIVE AUDIT

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING, COMPLIANCE AND OTHER MATTERS,  
AND OTHER ISSUES BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

### INDEPENDENT AUDITOR'S REPORT

Clark County, Arkansas Officials and Quorum Court Members  
Legislative Joint Auditing Committee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying regulatory basis financial statements of the general fund, road fund, and other funds in the aggregate of Clark County, Arkansas, as of and for the year ended December 31, 2013, and the related notes to the financial statements, and have issued our report thereon dated December 2, 2014. We issued an adverse opinion because the financial statements are prepared by the County on the basis of the financial reporting provisions of Arkansas Code, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effect on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material. However, with respect to the regulatory basis of accounting described in Note 1, our opinions on the general fund, road fund, and other funds in the aggregate were qualified because required disclosures were not made concerning deposit risks.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a material weakness.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiency to be a material weakness:

2013-1 To ensure the proper safeguarding of assets, financial accounting duties relating to initiating, receipting, depositing, disbursing, and recording transactions should be distributed among appropriate employees. The County officials, as specified in the Other Issues section of this report, did not segregate these duties to sufficiently reduce the risks of fraud or error and properly safeguard the County's assets, because of limited financial resources. We recommend that the financial accounting duties in each office be segregated among employees to the extent possible.

The County officials, as specified in the Other Issues section of this report, responded and indicated that their offices will segregate the duties relating to initiating, receipting, depositing, disbursing, and recording transactions to the extent possible with the current staffing levels.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of the state constitution, laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Entity's Response to Finding

The County's response to the finding identified in our audit is described above. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

### Other Issues

The following issues are not significant deficiencies, material weaknesses, or material instances of noncompliance, but are issues that are presented to assist in the efficient operation of the County.

The commentary contained in this section relates to the following officials that held office during 2013:

County Judge: Ron Daniell  
Treasurer: Judy Beth Hutcherson  
Sheriff and Tax Collector: Jason Watson  
County Clerk: Rhonda Cole  
Circuit Clerk: Martha Smith  
Assessor: Kasey Summerville  
County Librarian: Judy Golden

Our audit procedures indicated that the offices of **County Judge, Treasurer, Tax Collector, County Clerk, Circuit Clerk, Assessor, and County Librarian** were in substantial compliance with Arkansas fiscal and financial laws. Noncompliance with state law and accepted accounting practices was noted in the office of **Sheriff**. Noncompliance with accepted accounting practices was noted in the office of **Assessor**.

#### **Sheriff**

The Sheriff's Office was not in substantial compliance with Ark. Code Ann. §§ 14-25-103, -107, -112, in that the Commissary account was not properly and promptly reconciled to the journal for receipts, disbursements, and ending balance and all funds were not deposited timely and intact.

*We noted the following information systems weaknesses during a review of computers.*

#### **Sheriff**

There again was no formally documented and approved Disaster Recovery Plan. This situation could cause the entity to be without computer processing for an extended period of time in the event of a disaster or major interruption and could place undue financial and personnel burdens on the resources of the entity.

#### **Assessor**

There was no wireless security and use policy. Failure to establish and communicate an adequate wireless security and use policy could result in the unnecessary exposure or misuse of information resources.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, pursuant to Ark. Code Ann. § 10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record and distribution is not limited.

CLARK COUNTY, ARKANSAS  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2013

**NOTE 1: Summary of Significant Accounting Policies**

**A. Financial Reporting Entity**

The County is a political subdivision of the state governed by an elected quorum court. The reporting entity includes all the funds of the County.

**B. Basis of Presentation - Regulatory Fund Accounting**

The financial statements are presented in accordance with the regulatory basis of presentation as prescribed or permitted by Arkansas Code. The law requires that the financial statements be presented on a fund basis with, as a minimum, the general fund and road fund presented separately with all other funds included in the financial statements presented in the aggregate. This law also stipulates that the financial statements consist of a balance sheet; a statement of revenues, expenditures, and changes in fund balances; a comparison of the final adopted budget to actual expenditures for the general and road funds; notes to financial statements; and a supplemental schedule of capital assets.

A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with related liabilities and residual balances, and changes therein, which are segregated for purposes of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The following types of funds are recognized in the accompanying regulatory basis financial statements.

**General Fund** - The General Fund is used to account for and report all financial resources not accounted for and reported in another fund. The General Fund heading as it appears in the financial statements includes the following accounts: General, Various Fire Departments, Courthouse Annex, Sanitation, and Drug Enforcement.

**Road Fund** - The Road Fund (Special Revenue Fund) is used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Road Fund accounts for and reports proceeds of state highway turnback, property taxes, and sales taxes that are restricted or committed for maintaining and constructing roads.

**Other Funds in the Aggregate** - Other Funds in the Aggregate consist of all funds included in the financial statements except for the General and Road Funds. The following types of funds are included in this column as follows:

**Special Revenue Funds** - Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The following Special Revenue Funds are reported with other funds in the aggregate: Treasurer's Automation, Collector's Automation, Circuit Court Automation, District Court Automation, Assessor's Amendment no. 79, County Clerk's Cost, County Recorder's Cost, County Public Library, Support Collection Cost, Breathalyzer, District Court Jail Fee, Boating Safety, CMRS 911 Board (Commercial Mobile Radio Service), Victim/Witness, Public Defender, Drug Court, Juvenile Probation, Voting System Grant, Circuit Clerk Commissioner's Fee, Clark County Marina, District Court Cost, Jail Maintenance, Juvenile Work Supervision, Economic Development Corporation of Clark County (EDCCC), Office of Emergency Services, Antoine Hardwoods, Public Safety, Alpine Fire Department, Beirne Fire Department, Curtis Fire Department, DeGray Fire Department, East Clark County Fire Department, Hollywood Fire Department, Kansas Fire Department, and Communication Facility and Equipment.

**Capital Projects Funds** - Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlay, including the acquisition or construction of capital facilities and other capital assets. The Capital Projects Fund, Jail Construction, is reported with other funds in the aggregate.

**NOTE 1: Summary of Significant Accounting Policies (Continued)**

**B. Basis of Presentation - Regulatory Fund Accounting (Continued)**

Agency Funds - Agency Funds are used to report resources held by the reporting government in a purely custodial capacity (assets equal liabilities). The following Agency Funds are reported with other funds in the aggregate: Funds held by the County Treasurer – Treasurer's Commission, Collector's Commission, Common Schools, Law Library, Okolona School District, Improvement Tax, City of Whelen Springs - General, City of Gum Springs - General, City of Gum Springs - Street, Ross Drainage District; County Tax Collector – Current Tax, Delinquent Tax, and Credit Card; County Sheriff – Bond and Fine, Fees, Circuit Bond, and Commissary; County Clerk – Trust; Circuit Clerk – Fee and Trust; and County Judge – Sanitation.

**C. Basis of Accounting**

The financial statements are prepared on the regulatory basis of accounting as prescribed or permitted by Arkansas Code. This regulatory basis differs from accounting principles generally accepted in the United States of America. Revenues generally are recognized as soon as they are both measurable and available except for Treasurer's and Collector's commission and Taxes apportioned – Assessor's salary and expense which are recognized when earned. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current period. However, most state aid received from the State Treasury is by state law revenue of the year in which it was received by the government. Expenditures generally are recorded when a liability is incurred. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. As a result of the use of this regulatory basis of accounting, capital assets and long-term debt are not recorded in these financial statements.

**D. Assets, Liabilities, and Fund Balances**

Cash and Cash Equivalents

For the purpose of financial reporting, "cash and cash equivalents" includes all demand and savings accounts and certificates of deposit.

Settlements Pending

Settlements pending are considered property taxes, fines, forfeitures, costs, fees, commissions, and trust funds that have not been transferred to the appropriate entities.

Fund Balance Classifications

1. Restricted fund balance – amounts that are restricted when constraints placed on the use of resources are either (a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.
2. Committed fund balance – amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Quorum Court.
3. Assigned fund balance – amounts that are constrained by the Quorum Court's intent to be used for specific purposes, but are neither restricted nor committed.
4. Unassigned fund balance – amounts that have not been assigned to other funds and that have not been restricted, committed, or assigned to specific purposes within the general fund. This classification may also include negative amounts in other governmental funds, if expenditures incurred for specific purposes exceeded the amounts restricted, committed, or assigned to those purposes.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2013

**NOTE 1: Summary of Significant Accounting Policies (Continued)**

**E. Property Taxes**

A lien attaches to the real property in January and on personal property in June of each year. Property taxes are collectible beginning the first business day of March of the subsequent year, but are not considered delinquent until after October 15.

**F. Budget Law**

**1. Legal Requirements**

State law requires that the Quorum Court, before the end of each fiscal year, make appropriations, by ordinance, for the expenditures of County government for the following year. The Quorum Court may make appropriation amendments at any time during the current fiscal year. Appropriations lapse at the end of each year. Under certain conditions, the budget may be amended subsequent to the year-end.

**2. Accounting**

The County prepared an annual budget on the regulatory basis for the General Fund, Road Fund, and the other operating funds except for the Circuit Clerk Commissioner's Fee and Public Safety Funds.

**G. Fund Balance Classification Policies and Procedures**

The County's highest level of decision-making authority is its Quorum Court. The establishment of amounts classified as committed fund balances and any subsequent modifications to such balances are the result of formal action taken by the Quorum Court through passage of an ordinance. The Quorum Court is authorized to assign amounts to a specific purpose, although a formal policy has not been established.

The County does not have a policy addressing whether it considers restricted or unrestricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted amounts are available. For classification of fund balance amounts, restricted resources are considered spent before unrestricted. The County does not have a policy addressing which resources to use within the unrestricted fund balance when committed, assigned, or unassigned fund balances are available. When expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used, committed amounts are reduced first, followed by assigned amounts, and then unassigned amounts.

**NOTE 2: Cash**

Deposit risks related to credit risk, concentration of credit risk, interest rate risk, and foreign currency risk have not been provided as required by Governmental Accounting Standards Board Statement no. 40.

**NOTE 3: Legal or Contractual Provisions for Deposits and Investments**

State law generally requires that county funds be deposited in federally insured banks located in the State of Arkansas. The county deposits may be in the form of checking accounts, savings accounts, and time deposits. Public funds may be invested in eligible investment securities having a maturity of not longer than 5 years from the date of acquisition unless, as documented at the time of acquisition, the investment is to fund or support a specific purpose and there are no expectations that the investment will be sold before maturity; an Arkansas bank certificate of deposit; an account established by a local government joint investment trust; or an Arkansas financial institution repurchase agreement for eligible investment securities in which the seller agrees to repurchase the investment at a price including interest earned during the holding period as determined by the repurchase agreement.

**NOTE 8: Commitments (Continued)**

Landfill Closure and Postclosure Care Costs

Clark County is the owner of permit #044-S4 to operate a Class IV solid waste landfill. State and federal regulations require a final cover to be placed on the landfill site when the County stops accepting waste and to perform certain maintenance and monitoring functions at the site for two years after closure. Although closure and postclosure care costs will be paid only near or after the date the landfill stops accepting waste, a portion of these closure and postclosure care costs are being recognized as a commitment each year based on landfill capacity used as of the balance sheet date. The estimated commitment for the landfill closure and postclosure care costs has a balance of \$447,264 as of December 31, 2013, and represents the cumulative amount reported to date based on 95% usage of the landfill. The area has an estimated remaining volume of 26,540 cubic yards which is estimated to exhaust one year from the balance sheet date.

Estimated costs are based on the amount that would be paid if all equipment, facilities and services required to close, monitor, and maintain the landfill were acquired as of December 31, 2013. However, the actual cost of closure and postclosure may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

The County has provided financial assurance for the closure and postclosure care costs with an irrevocable letter of credit from Southern Bancorp Bank of Arkansas, dated May 23, 2013, in the amount of \$203,485 and in accordance Ark. Code Ann. § 8-6-1603, the County has provided financial assurance of \$182,245 in the form of a Contract of Obligation dated June 12, 2007. This Contract of Obligation authorizes the State Treasurer to withhold from any funds being distributed from the State of Arkansas to Clark County the sum of \$182,245 upon receiving notice from the Director of the Arkansas Department of Environmental Quality of Clark County's failure to properly disclose operation.
